WHO MAKES THE WARRANTY

This limited warranty is extended only to you, the original purchaser, and not to anyone who may purchase your vehicle from you during the term of the warranty. This limited warranty is made by the authorized ATD Activate Repair Facility (“Facility”) who is so named on the original repair invoice and performed the service/repairs on your vehicle. This warranty may be honored by other authorized ATD Activate Facilities, or other authorized non-participating facilities anywhere in the United States. This warranty is not a warranty of American Tire Distributors, Inc., Sonsio Management, Inc., or their affiliates, subsidiaries, employees, or member companies. Sonsio Management, Inc. serves as the administrator (“Warranty Administrator”) only.

HOW TO OBTAIN WARRANTY SERVICE

You must keep a copy of the original repair invoice and present it when seeking service under this warranty. If you are less than 15 miles away from the original repair Facility, you must return your vehicle to that Facility for any warranty repairs.

If you are more than 15 miles from the original Facility, call the Warranty Administrator prior to any warranty repair work being performed at 1-844-222-7627 from 8:00 a.m. to 8:00 p.m. EST, Monday through Friday and Saturday from 9:00 a.m. to 5:30 p.m. EST, excluding holidays. The Administrator will refer you to the nearest participating facility. If it is after hours or there are no participating locations in your area, you may take your vehicle to a non-participating repair facility in your area. If the non-participating repair facility will not accept payment from the Warranty Administrator, you must pay for the warranty service and submit your original repair invoice (or legible copy) and subsequent warranty repair invoice (or legible copy) to the Warranty Administrator for review, within 90 days of the date of repair.

WARRANTY AGREEMENT – ALL SERVICES

The Facility warrants that the repairs and services performed at their location will be free from defects in workmanship and materials for 12 months or 12,000 miles of use (unless otherwise noted), whichever comes first, measured from the date of the first repair and the odometer reading shown on the original invoice. This warranty is for retail customers servicing their non-commercial passenger auto and LT vehicles up to and including one-ton rated light trucks, e.g., F350. This warranty is conditioned on the vehicle being subjected only to normal, non-commercial use, and receiving reasonable and necessary maintenance during the warranty period. Abuse, misuse, negligence and vandalism void all warranties. If there is a defect in either materials or workmanship within the warranty period, the Facility has the option to perform remedial service work at no charge to you, replace the defective warranted part(s) without charge to you, or refund the

entire charge for the warranted repairs, minus any previous refunds. Warranty repair costs shall in no case exceed the costs of the original repair or service. If your vehicle is inoperable and you are more than 15 miles from the original Facility, you may be eligible for Rental Car benefits if your vehicle cannot be repaired the same day due to circumstances beyond your control. If eligible, maximum rental reimbursement is not to exceed 2 days at a maximum of \$40.00 per day, as determined by the Warranty Administrator. A buyer of covered products or services has the right to have warranty service performed during the warranty period. The warranty period will be extended for the number of whole days that the vehicle has been out of the buyer’s hands for warranty repairs.

WHAT IS NOT COVERED BY THIS WARRANTY

You must pay for any non-warranty service you order to be performed at the same time as any warranty service. This warranty will not apply to your repaired vehicle if it has been damaged by abnormal use, misuse, neglect, accident, and alteration or “tampering with” (by other than the Facility or Facility’s employees). The Facility’s employees and/or agents do not have authority to modify the terms of this warranty, nor to make any promises in addition to those contained within this warranty. **THIS WARRANTY DOES NOT IN ANY WAY INCLUDE INCIDENTAL OR CONSEQUENTIAL DAMAGES** (additional expenses which you may incur as the results of faulty repair or service). Some states do not allow the exclusion or limitation of incidental or consequential damage, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.

REPAIRS AND SERVICES EXCLUDED FROM THIS WARRANTY

This warranty does not cover repair(s) or service(s) except as listed in the section, “What is Covered by this Warranty”, even though the Facility may offer other services. Specifically excluded are: engine, transmission, clutch, or differential repairs, associated gaskets and seals or assembly replacement of the same. Also, excluded are auto body, paint, molding, glass repairs, tires, batteries and used parts. Commercial, government and fleet vehicles are excluded.
